BRAVO

Carpet & Tile Cleaning

Specializing in a thorough seven step process, we offer a higher level of service that cleans deeper and more effectively than the majority of our competition. Our extensive seven step process includes:

- Pre-vacuum with commercial grade system
- Spot Removal {solutions for even the toughest of spots}
- Pre spray cleaning agent
- Power scrub and brush all traffic areas
- Thorough rinsing with hot water rotary extraction at an extremely high rate of pressure to ensure maximum penetration.
- Carpet grooming to untangle fibers and enhance drying
- Commercial Air Dryers placed to accelerate drying time
